CORRECTED RESPONSE TO OFFICE ACTION

S i r:

This paper is filed in response to the Notice of Non-Compliant Amendment dated November 4, 2008, in which it was noted that the response submitted on September 12, 2008 did not list claims 1 – 12. Those claims had previously been cancelled. This response corrects the response of September 12, 2008 by again presenting the claims before the Examiner, along with a statement acknowledging that claims 1 – 12 have been canceled. No additional fee is believed to be due for entry and consideration of this paper.

Enclosed are amendments to the claims and remarks, starting on separate pages.
